#### **Conditions of HUF current accounts**

GRÁNIT - Welcome account package (1)

(12) In the case of a change of account package, the Fee of account package modification must be paid at the time when the filing of this customer's request and must also cover the time proportion of the difference between the annual fees of the debit card prior to the change and the new bill set. The Fee of account package modification will also be charged, if If the client withdraw his/her request before setting the modification. If the client changes from one account packet to another account packet with a more favorable annual bank card, the Bank will credit the proportionate portion of the bankcard fee.

(13) It is possible the client specifies the place (in Budapest or in the countryside) and time of modifying contract, making contract and client's identification. In case of emergency service, if data reconciliation between the client and TeleBank of GRANIT Bank happens until 14:30, then within the following 2 working days, in other case within the following 3 working days the Bank's parner will meet with the customer in a previously agreed time in the purpose of client's identification and contracting. In case of non-emergency service it will happen within 4 and 5 working days after data verification. The fee of the sevice will be debited after the contract is signed. If more accounts are affected by the service, the fee will be charged only once occasionally, when both forint and foreign currency account is effected by the service, then the fee included in the forint bank account package's Announcement will be charged. The non-discounted fee must be paid if the customer's fault causes cancellation of signing or modifying the contract. The customer could cancel the service free of charge no later when telephone consultation with the Bank's counterpart happens. If data reconciliation does not happen between the client and TeleBank of GRANIT Bank, then the modifying contract and client's identification must be done in Central Branch or in WestEnd Client Office of the Bank.

#### ACTION!!!

Those who initiates opening current account by on-line and asks non-emergency services in the countryside, and TeleBank can make data verification with them between 06/03/2017 and 31/07/2017 the service is free for the first 25 per a week.

- (14) After signing of Payment Services Framework Agreement, the fee is charged per bank account and per person.
- (15) The service is only available in case of Card / PIN replacement by personal contracting in the Central Branch Office or in WestEnd Client Center.
- (16) The debit card next banking day delivery of emergeny debit card request / replacement demand given banking day from 08:00 to 16:00 shall be submitted. If the emergency card request / replacement happens with a temporary Instant debit card, the manufacture of a card with the same type as the original one will start without additional fee, which postal delivary. The temporary Instant debit card can be used till before activate the new one, but not longer than 60 days. In case of emergency card request / replacement, delivery is performed by courier service.
- (17) The full monthly fee will be charged to the bank account, if any of the debit cards connected to the account was digitalized at any time in the month. Only one monthly fee will be charged if more than one digitalized debit card belonged to the account, or the same card has been repeatedly digitalized regardless of the cause.
- (18) The discount applies to the bank accounts where successful debit card digitalization happens until 31 dec, 2017. For these accounts the Digitalized debit card monthly fee is free as long as the account will be terminated.
- (19) Debit card limit modifications could be immediately available when arranged either at customer service or by phone. In case of a NetBank free-form mail arrangement, new limits will be available on the following working day from 12 pm.
- (20) The limit changed via GRÁNIT eBank / GRÁNIT Lock function is take effect when it's approved from the application.
- (21) ONLINE limit: the limit made for the online transactions (for example: buyings on the internet), this limit is part of the POS limit, it cannot exceed the POS limit.
- (22) The Bank excludes the liability for dysfunctional, incomplete, or the inadequately working of the card company rules from ATM's operated by third party services. Among others but not exclusively: PIN code change, or limitation of the cash withdrawal limit. etc.

Further account related instructions, fees and their frequency of settlement are to be found in the 3rd section of the Announcement.

Amendments of the Announcement are indicated with red. The reasons for changes: the emergency debit card request / replacement service of changes. Any changes between the date of publication and the date of entry into force of this Announcement not be included in this Announcement. These modifications will be contained in a single text of the announcement that will enter into force on 31.08.2017.
