⁽³⁾ The usage of GRANIT iSMS service is only available if both GRANIT NetBank and GRANIT SMS services are used too. In order to receive text messages about transactions through iSMS service, the technical settings -application set up, phone number's registration and activation through NetBank- have to be done by the user, besides the presence of internet connection on the registered mobile device is required by the messages' transmission.

⁽⁴⁾ In the transfer orders provided via eBank service, the account number to be credited must be an account that has already been transferred via Netbank, Telebank, Videobank or on paper order. eBank Service transfer functionality is available on devices with at least 10.0 iOS or with at least 4.3 Android operating System.

⁽⁵⁾ If the first or second recording cash amount according to the Act 36/A §, LXXXV of 2009. exceed of 150 thousand forints, the charged fee for this amount is specified in the effective Announcement, without proportion of the fixed or minimum price. Claim on above HUF 1,000,000 cash or similar amount of foreign currency withdrawal needs to be announced to the Bank at least 2 (banking) days before transaction in oral or written form. Payment order of above HUF 500,000 or similar amount of foreign currency can only be accepted with an attorney notarized form by the trustee.

⁽⁶⁾ Payment request: A request for an instant HUF payment, where the payee may send to the payer, prior to launching the transaction, all information that may be necessary for the launching of the transaction and for the processing thereof at the payee's end. The request should be sent via electronic system (eBank) or through the payment service provider. The service is available for users with at least 10.0 iOS or with at least 4.3 Android operating System, after making an agreement with the Bank. The agreement is made on eBank, under the menu: "Fizetési kérelem regisztráció/visszavonás". It is found for Android users under the „Megbízások”, for iOS users under the „Átutalás” menu. Payment request should be launched using the payer's secondary identification. The transaction is executed by instant payment if the cover amount is available on the account of the payer.

⁽⁷⁾ It is possible the client specifies the place (in Budapest or in the countryside) and time of modifying contract, making contract and client's identification. In case of emergency service, if data reconciliation between the client and TeleBank of GRANIT Bank happens until 14:30, then within the following 2 working days, in other case within the following 3 working days the Bank's partner will meet with the customer in a previously agreed time in the purpose of client's identification and contracting. In case of non-emergency service it will happen within 4 and 5 working days after data verification. The fee of the service will be debited after the contract is signed. If more accounts are affected by the service, the fee will be charged only once occasionally, when both forint and foreign currency account is effected by the service, then the fee included in the forint bank account package's Announcement will be charged. The non-discounted fee must be paid if the customer's fault causes cancellation of signing or modifying the contract. The customer could cancel the service free of charge no later when telephone consultation with the Bank's counterpart happens. If data reconciliation does not happen between the client and TeleBank of GRANIT Bank, then the modifying contract, making contract and client's identification must be done in Central Branch or in WestEnd Client Office of the Bank.

Further account related instructions, fees and their frequency of settlement are to be found in the 3rd section of the Announcement.
